EYES

1. Apply **High Pigment Eye Shadow Serene Vanilla** to the eyelid.
2. Brush **High Pigment Eye Shadow Abnegation Stone** onto the crease, blending out and upwards at the outer corner of eye.
3. Darken this area with **High Pigment Eye Shadow Dauntless Ink & High Gloss Transforming Eyeshadow Diverge**, concentrating on the outer perimeter, to create a gradient effect.
4. Sweep **High Pigment Eye Shadow Erudite Sapphire** under the eyes, making sure to darken its intensity toward the outer lower corner.
5. Accent the look with **High Pigment Eye Shadow Serene Vanilla** as a highlight around the inner corner of eyes.

FACE

1. Begin by sweeping **Shimmering Bronzer Intelligent Bronze** under cheekbones to lightly contour. Follow this across the bridge of nose, chin, sides of forehead, and wherever else you'd like a sun-kissed glow.
2. **Long-Wear Blush Misty Rose** is applied to the cheeks - on the apples for a more playful look.
3. Dust the **Radiant Glow Illuminator Gleaming Pearl** highlighter on the highest point of the cheekbone, if desired, add a sweep of highlighter to the bridge of nose, chin, and above cupid's bow to accentuate your bone structure.

LIPS

- o Apply **High-Shine Lip Supreme Ritual**.
