

## ABOUT THE OILS

These pure fragrance oils were formulated without alcohol specifically for blending to preserve the integrity of the scent.

### STEP 01:

Choose a recipe or rollerball to begin with

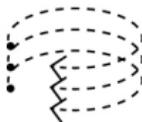

### STEP 02:

One swirl = one full circle on the skin

### STEP 03:

Follow the order as indicated on the recipe card or continue layering until you create your own perfect scent

### TO FINISH:

Blend the scent by rubbing your wrists together.

You can also apply to other areas such as your neck, décolletage or wherever you desire.
