

FIGHT ACNE, NOT YOUR SKIN

Can you *really* clear acne without triggering redness, dryness and irritation? YES! Murad's 3-step regimen is the healthy skin approach to fighting acne for clearer skin without all-too-common redness and irritation.

STEP 1: CLEANSE

Gel cleanser with two types of salicylic acid helps treat acne—even after rinsing.

STEP 2: TREAT

All-over lightweight gel serum is clinically proven to reduce overall acne in just 1 week.

STEP 3: MOISTURIZE

Shine-reducing SPF moisturizer controls oil for up to 8 hours.

AS NEEDED: SPOT TREAT

Invisible spot treatment starts clearing blemish size and redness in 4 hours.
