

# CLINIQUE

Results as good as a leading topical prescription in clearing acne.\*

**Acne Solutions Clinical Clearing Gel**

## Which acne regimen is right for you?

If you always have one or two blemishes here and there...

A consistent routine will help keep skin clear.

- Apply Clinical Clearing Gel all over or where needed.
- Partner with Acne Solutions Cleansing Foam and an oil-free hydrator.

If you're constantly breaking out everywhere...

Get things under control with a medicated regimen.

- Use Acne Solutions 3-Step System twice a day.
- Spot treat with Clinical Clearing Gel.  
(Applying Clinical Clearing Gel all over your face after using Step 3: All-Over Clearing Treatment may be too drying for skin.)

\*12 week acne reduction test.
