

# AHA! POTENT ACIDS WITHOUT IRRITATION

our glycolic is different

ACID + ACID + ACID + ACID

Our “dream team” blend of 12% glycolic plus tartaric, lactic, citric, and 1% salicylic acids along with raspberry extract sink in easily and deliver effective and precise levels of chemical exfoliation—without harsh side effects like dryness or sensitivity.

## what it does

- + buffs away dead skin cells
- + unclogs oily pores
- + evens out skin tone
- + smooths texture

## the end result

SKIN THAT LOOKS BRIGHTER, SMOOTHER &  
DAMN NEAR PORELESS

## the end result

AHA'S CAN BE SENSITIZING IF NOT FORMULATED PROPERLY. WE ADDED MULTIPLE SOOTHING PLANT EXTRACTS TO CALM SKIN AND FORMULATED T.L.C. FRAMBOOS™ AT THE IDEAL PH LEVEL OF 3.8-4.0.

T.L.C. GIVES NEW MEANING TO BEAUTY REST...IT WORKS IT'S MAGIC WHILE YOU SLEEP. MIGHT AS WELL MAKE THOSE 8 HOURS COUNT, RIGHT?
