2-in-1 Foundation + Concealer

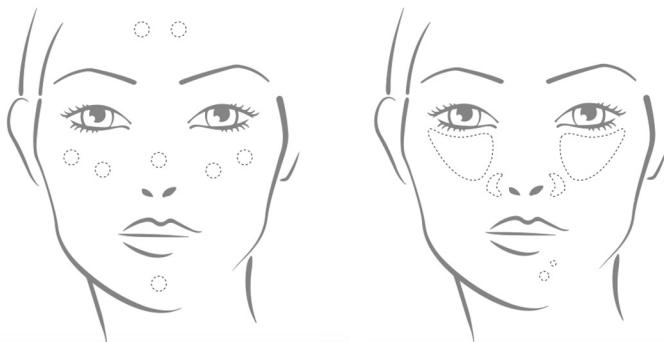

Foundation with
concealer inside.
All of the coverage.
None of the weight.
Lasts all day.

"Magic Wand" Applicator

How To Use

Full-Face Application

Sweep foundation across forehead, cheeks and chin with back side of wand. Use angled tip to apply makeup down bridge of nose, along jawline. Blend with fingertips.

Spot-Conceal

Spot-conceal areas of concern using pointy tip of applicator—under eye, around nose, over blemishes. Pat and blend.

Features & Benefits
