

EVERYTHING YOU NEED TO KNOW ABOUT

DEEP SEA REPAIR

Seaweed Strengthening Mask

WHO IS IT FOR? WAVY, CURLY & SUPER CURLY

If heat styling, chemical treatments or not-so-gentle detangling have done a number on your curls, this strengthening mask belongs in your beauty arsenal!

WHAT DOES IT DO?

The reviving formula transforms damaged hair, bringing texture and definition back to life with a lightweight look and feel. All curl types are left looking healthy, bouncy and incredibly defined.

WHAT'S IN IT THAT MAKES IT SO SPECIAL?

Seaweed

Repairs & restores hair from chemical or heat damage

Sea Lavender

Moisturizes & protects from environmental stress

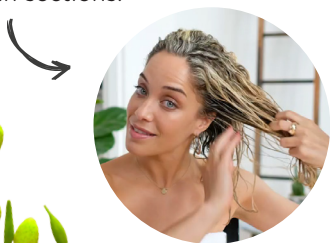

Vegan Protein Blend

Blend of Rice, Wheat and Soy strengthens, reduces breakage and split ends, and increases elasticity

HOW DO I USE IT?

1 After cleansing, apply mask thoroughly through the hair in sections.

2 Let it sit for 15-20 minutes, then rinse.

* For the best results, use heat. Get creative! Use a heat cap or hooded dryer. Slip on a plastic cap, then the DevaTowel, generating body heat. Or use the steam from the shower.

3 Rinse thoroughly and finish with your regular stylers.

Use once per week or as needed.

MULTI-MASKING TIP!

Need both moisture and strength?

After cleansing, take one part Melt Into Moisture, one part Deep Sea Repair, mix together in your hands and apply in sections.

Be sure to use heat to ensure Deep Sea Repair penetrates into the hair shaft.

Leave in up to 20 minutes and rinse thoroughly.
