

**MAKE UP FOR EVER**  
PROFESSIONAL - PARIS

**ERASE COLOR WITH COLORS**  
**HOW TO NEUTRALIZE**  
**DISCOLORATION & DARK SPOTS**

**BEFORE**

**AFTER**

**STEP 1**

Start with all-over color correction. Use Step 1 Skin Equalizer in Caramel. Apply Equalizer in the center of the face and blend outwards.

**STEP 2**

Cover any visibly dark areas by spot treating with Camouflage Cream Palette 4. Color correct with the orange color to neutralize.

**STEP 3**

Then, use the Camouflage Cream Palette 4 skin tone shades to balance and highlight. Tap for coverage and blend edges for a smooth and seamless look.

**STEP 4**

For the ultimate complexion perfection, finish with Ultra HD Foundation. Tap and stretch with Artisan Brush 108 for best results.
