

HUDA BEAUTY

EASY BAKE 101

Loose Powder

1.

Apply your foundation or concealer.

2.

Apply Easy Bake under the eye from inner corner to temple.

3.

Let powder bake for 3-5 minutes while applying the rest of your makeup.

4.

Using a fluffy brush, gently dust away excess powder for a freshly baked finish.

Huda's Tip:

Follow Huda's signature technique and apply powder in additional areas to airbrush complexion.
