

A T O M I C

Tick, tick BOOM.
This look is atomic!

1. COOLING WATER

Glide over face for an instant cooling, de-puffing effect.

2. COVERAGE DUO

Roll liquid concealer over face and blend with finger tips for an even skin tone. Flip open pot and pat marshmallow cream concealer to cover stubborn spots.

3. MATTE BRONZER

Swipe in an upward motion below cheekbones for contour and along hairline for a sun-kissed effect. Blend with fingertips.

4. HIGHLIGHTER

Swipe onto upper cheekbone, cupid's bow, and third eye for a luminous glow. Lightly dab with fingertips to blend.

5. EYE VINYL

Click pen and swipe glossy shadow onto lids. Quickly blend with fingertips for a rock n' roll finish.

6. WEEKEND LASH STAIN

Coat lashes with two-day stain for a natural, lengthened lash look that lasts all weekend long.

7. GEL BROW

Fill in brows with gel formula using small, upward strokes starting at the inside of the brow and moving outward. Brush through to shape and finish.

8. LIP MARKER

Color in lips with the unique chisel tip for long lasting, bold color.
