

PRIMERS

Boost it. Blur it. Smooth it. Prolong it.

New face primers make skin happen, right from the start. Perfecting formulas. Unstoppable skincare. Unexpectedly sensorial. Once you're primed and ready, there's no stopping what's next.

RADIANCE PRIMER SPF 35

ENERGIZING. REVITALIZING.
OIL FREE.

Works to revive dull, fatigued skin instantly and over time with encapsulated sunscreen beads that release on contact for luxuriously fresh broad spectrum protection. Prolongs and enhances the look of makeup.

RADIANCE BOOSTING COMPLEX

Instant Results:

- Warms the complexion and boosts radiance with refined pearlescence

Long-term Benefits:

- Plant extract Evodia Rutecarpa promotes skin vitality
- SPF 35 for UVA/UVB protection

PORE & SHINE CONTROL PRIMER

MATTIFYING. REFINING.
OIL FREE.

Controls shine and refines the appearance of skin. Prolongs and enhances the look of makeup.

PORE MINIMIZING COMPLEX

Instant Results:

- Minimizes pores and mattifies skin throughout the day with soft-focus powders.

Long-term Benefits:

- African Whitewood and Oleanolic combined with peptides to help balance skin

SMOOTH & PROTECT PRIMER SPF 50

PERFECTING. PROTECTING.
OIL FREE.

Visibly perfects as it invisibly protects with weightless yet potent broad spectrum sunscreen, formulated to leave no residue on the skin. Prolongs and enhances the look of makeup.

SKIN SMOOTHING COMPLEX

- Blurs pores, fine lines, and wrinkles with a powerful refining effect

Invisible Defense Technology:

- Broad spectrum SPF 50 provides potent daily skin protection, while antioxidants help to deflect pollution and environmental aggressors
