

PMD PRO

The PMD Pro features smooth glide caps, two speed settings and a full range of exfoliation discs to customize your treatment from very sensitive to very intense.

PMD CLASSIC

The PMD Classic is our one speed original device and combines the power of patented spinning disc technology with a perfectly calibrated vacuum suction to brighten, smooth, and even skin tone and texture.

SPEEDS

2

Speed 1: For sensitive skin types
Speed 2: For universal skin types

1

One optimized speed for universal skin types
