

LEAVE-IN DECADENCE™

ULTRA MOISTURIZING LEAVE-IN CONDITIONER

WHO IS IT FOR? CURLY & SUPER CURLY

Leave-In Decadence is for curly and super curly hair in need of more moisture without the heaviness, and **curl definition that lasts!**

WHAT DOES IT DO?

This quick-absorbing, **lightweight** leave-in conditioner gives the foundation for touchable curls with the help of **Pequi oil** that offers curl retention and **Chufa milk** that provides **intense moisture**.

WHAT'S IN IT THAT MAKES IT SO SPECIAL?

QUINOA PROTEIN

Quinoa contains 8 essential amino acids, is botanically derived, and **strengthens, protects, conditions, and adds shine** to hair.

PEQUI OIL (PEH-KEY)

The Pequi tree is native to Brazil and provides a high concentration of vitamins and fatty acids for **curl retention and frizz control**.

CHUFA MILK (CHEW-FA)

Derived from the chufa plant, Chufa milk is an organic, allergy free ingredient that provides **intense moisture, nourishes, and revitalizes** hair.

HOW DO I USE IT?

1. CLEANSE

Massage No-Poo Decadence® onto the scalp. Continue massaging hair and scalp to rinse thoroughly.

2. CONDITION

Apply One Condition Decadence™ to wet hair, **using fingers** to gently detangle. Rinse as needed.

3. FOR EXTRA MOISTURE

Evenly distribute Leave-in Decadence™ throughout clean, **wet curls**, gliding it through the ends to thoroughly moisturize. **Do not rinse.**
