

beautyblender®

Which Blender is For You?

beautyblender comes in 3 sizes to cover all your makeup needs.

All in the same aqua-activated™ exclusive beautyblender material to achieve flawless results every time.

THE ORIGINAL

The pink sensation that started it all, this edgeless, aqua-activated™ blender ensures flawless application of any complexion product: foundation, powder, and more.

BEAUTY.BLUSHER

The first, medium-sized blush applicator designed to deliver the right amount of product onto your cheeks – seamlessly and effortlessly. Use it with your favorite cream, gel, or powder formulas.

MICRO.MINI

The mini beautyblender with laser focus! The perfect size for contouring, highlighting, color correcting, and concealing.
