

# Don't Despair, Repair!

## Deep Conditioning Hair Cap System

### What it is:

A two-part deep conditioning system that provides optimal penetration of repairing nutrients to restore health, shine and strength to the hair.

### Who it's for:

Those with severely dry, damaged hair that want the ultimate deep conditioning mask experience.

### Key ingredients

#### MICRO-ENCAPSULATED ARGAN OIL TECHNOLOGY:

Micronized argan oil molecules are encapsulated in a positively charged algae shell that attracts to damaged areas of the hair. Once these molecules are drawn to the damage, they create ionic forces that visibly seal split ends without any sticky or stiff after-effects. Argan oil then delivers a hydrating and conditioning layer on the hair fiber to enhance the health, shine, and nourishment of the hair. This unique technology provides a true solution to repairing damage and hair is instantly left feeling healthy, smooth, and stronger.

#### ALGAE EXTRACT:

Contains potent vitamins and minerals that nourish and strengthen the hair.

**PANTHENOL:** A B-vitamin that enhances the effects of hair elasticity, moisture retention and flexibility.

### 6-free

- NO Sulfates
- NO Silicones
- NO Phthalates
- NO Parabens
- NO DEA
- NO Artificial Dyes

### How to use it:

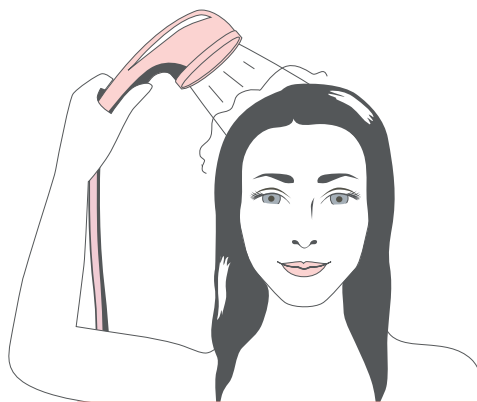

#### Step 1:

Apply the full packet of Don't Despair, Repair! Deep Conditioning Mask to the mid-length and ends of the hair (can be applied to the crown of the hair, also) and massage into hair for 30 seconds.

#### Step 2:

Cover the hair with the repair treatment lined steam cap and let it sit for at least 15 minutes. Cap can also be worn up to 1 hour.

#### Step 3:

Remove cap and thoroughly rinse hair with warm water. Dry and style, per usual.
